SUMMARY

Mobile Application Developer with 5+ years of experience, specializing in Flutter, with experience in building, testing, and maintaining cross-platform mobile applications using Dart, focusing on performance, scalability, and user experience.

EXPERIENCE

❖ Flutter Developer, Fiveline Website Services — Oct 2025 — Current

Doha, Qatar

Developed cross-platform mobile applications using Flutter and Dart, integrating RESTful APIs, Firebase services, and state management solutions (Provider, BLoC). Implemented responsive UI following Material and Cupertino guidelines, ensured clean code, performance optimization, and collaborative development using Git.

❖ Mobile Application Developer, Lamlan Digital Solutions — Apr 2025 — Oct 2025

Doha, Qatar

Built and deployed production Flutter apps for iOS and Android. Delivered custom UI using Material Design. Integrated APIs and third-party packages for core features. Collaborated across teams to meet project timelines.

❖ Mobile Application Developer, SARL Dowaya — Mar 2023 — May 2024

Sidi Bel Abbes, Algeria

Built and deployed production Flutter apps for iOS and Android. Delivered custom UI using Material Design. Integrated backend APIs and third-party packages for core features. Collaborated across teams to meet project timelines.

❖ Trainer (Flutter & Dart development), Private school — May 2023 — Oct 2023

Sidi Bel Abbes

Trainer (Flutter & Dart) with experience delivering hands-on training in mobile application development, covering Dart fundamentals, Flutter architecture, UI development, and real-world project implementation.

❖ Administration Officer, SARL Top Seventy Five — Sep 2021 — Mar 2022

Boumerdes, Algeria

Managed branch-level sales and operations, including buying, selling, and rentals. Handled employment paperwork, salaries, and internal employee support. Maintained product inventory and financial reporting for the factory. Acted as a point of contact for customer and staff needs.

❖ Freelancer Fullstack Developer, Remotely — Feb 2019 — Oct 2023

Full-Stack Developer with experience in building and maintaining web and mobile applications, handling front-end development, back-end APIs, databases, integrations, and deployment, with a focus on performance and scalability, Published and maintained apps on Google Play and App Store.
